LEARN MORE

ABOUT US

Eagle TG specializes in delivering comprehensive telecommunications services to commercial, federal, state, and local government clients. We guide clients through development, deployment, and maintenance of secure, reliable, sustainable, and cost-effective telecommunications systems. Our expertise extends to indoor and outdoor fiber optic systems, CAT 6/6A network cabling, and diverse low voltage cabling services. Utilizing advanced technologies and methodologies, we ensure our solutions are scalable, adaptable to changing needs, and designed to integrate seamlessly with existing and future infrastructures, enhancing operational efficiencies and connectivity. Through that blend of technical proficiency and strategic planning, we aim to deliver solutions that are both innovative and perfectly aligned with our clients' operational requirements.

PAST PERFORMANCE

Project: **BAMC COTO DAS Expansion**
Customer: DHA/Brooke Army Medical Center (BAMC)
Date: 09/2023 – 06/2026
Contract Value: $8.6M
Description: Eagle TG is responsible for the installation and termination of over 200K feet of CAT 6A Plenum cable within BAMC and COTO buildings and an additional 2K feet at the Camp Bullis Taylor Burk Clinic supporting CommScope ERA® DAS ION-E® Universal Access Point 2 (UAP2) and CommScope ONECELL® small-cell network cellular solutions.

Project: **METC DAS Installation**
Customer: DHA/Medical Education Training Center (METC)
Date: 09/2020 – 03/2023
Contract Value: $2.3M
Description: Eagle TG installed and terminated new cabling and fiber, covering a total of 749K feet across 20 floors in five buildings, and the installation of CommScope UAPs within the METC campus located at JBSA Fort Sam Houston, TX.

Project: **AMC Comm Building Renovations**
Customer: Department of the US Air Force (USAF)
Date: 06/2020 – 10/2021
Contract Value: $985K
Description: Eagle TG completed renovations for buildings 1906 and P-40 at Scott Air Force Base (SAFB) which included Dura-line conduit and microfiber optic cabling installations. The project encompassed detailed site surveys, efficient use of the Air Force Cyber Infrastructure Planning System for route optimization, and removal of obsolete cables, seamless integration of conduits into existing systems, rigorous fiber loss testing, comprehensive documentation and drawings, adhering to ANSI/TIA standards.

Project: **AMC Renovation Outside Plant Communication – Phase I**
Customer: Department of the US Air Force (USAF)
Date: 04/2019 – 04/2020
Contract Value: $1.54M
Description: Eagle TG executed the installation and integration of Dura-line conduit and microfiber optic cabling across multiple buildings at SAFB. The project involved comprehensive site surveys, material procurement, and skilled installation of micro ducts and fiber optic cables, utilizing advanced technologies and methodologies for efficient conduit installation and fiber optic 'jetting.' Our team performed fiber loss testing, ensuring all installations met ANSI/ TIA standards.

SOCIOECONOMIC STATUS

SBA SDB
Indian Small Business Economic Enterprise (ISBEE)

EAGLE TECHNOLOGY GROUP

UEI: MBZ8E2DEZTM9 CAGE : 6R8B4

Eagle TG is a tribally owned Small Disadvantaged Business (SDB) that excels in providing information technology and management consulting services. Dedicated to developing, deploying, and maintaining solutions that are secure, reliable, sustainable, and cost-effective, the company boasts a team experienced in supporting diverse programs for both federal agencies and private commercial enterprises, ensuring high quality, efficient services tailored to meet the unique needs of each client.

WHY TRIBAL?

Contracting with a Small Business Administration (SBA) recognized tribally owned SDB offers unique advantages to federal customers. By choosing to do business with us, agencies benefit from flexible and rapid procurement processes due to special federal contracting provisions that enable a more efficient path to high-quality, cost-effective solutions, while also fostering economic growth within historically underserved communities.

CONTRACT VEHICLES

GSA MAS

CONTRACT NO. GS35F418CA

Special Item Numbers (SINs):

54151S	Information Technology Professional Services
518210C	Cloud Computing and Cloud Related IT Professional Services
54151HEAL	Health IT Services
541519ICAM	Identity, Credentialing and Access Management (ICAM)
OLM	Order-Level Materials (OLMs)

✓ Multiple Award Schedule (MAS) is a Best-in-Class contract designated by the Office of Management and Budget as a preferred governmentwide solution.

✓ Contract types include fixed price (**FAR 16.2**), labor-hour (**FAR 16.601**), and time-and-material (**FAR 16.602**) terms.
